- 9:00 – 9:15 Welcome
- 9:15 – 10:30 Basic Land Use Techniques
By: Marjorie Shansky
This session will describe basic land use techniques such as comprehensive planning, zoning, site plan, and subdivision regulations.
- 10:30 – 10:45 Break
- 10:45 – 11:45 Farmington River Biodiversity Report
By: Eileen Fielding
- 11:45 – 12:30 Lunch
- 12:30 – 1:30 What and Why New Urbanism: The Hamden SmartCode
By: Robert Orr, FAIA, Robert Orr & Associates LLC
- 1:30 – 3:00 Meeting Interests to Reach Better Decisions
By: Bill Logue
The land use decision-making process is essentially a negotiation. In order to get an implementable solution, the decision must meet the interests of all relevant stakeholders. If not, the decision stands the chance of being challenged and delayed. This session will discuss the steps to meeting all relevant interests and having the right parties at the table.
- 3:00 – 3:15 Break
- 3:15 – 4:15 Facilitated Discussion -???
By: Bill Logue
